

INVITATION TO BID

Date: 12/1/2025

Sealed Bids will be received by the Carter Lake Filter Plant (hereinafter referred to as OWNER), at the office of the OWNER, 7100 County Road 8E, until **2:00 P.M.**, local time, **December 17, 2025**, for:

Preparation and Coating of Filter Basins
And
Removal and Replacement of Filter Underdrains and Filter Media
Carter Lake Filter Plant

At said place and time, and promptly thereafter, all Bids that have been duly received will be publicly opened and read aloud. The Contract provides for the construction of: The scope of services for the project is to provide an NSF-approved coating to two (2) sand filtration tanks, removal and replacement of filter underdrains, and removal and replacement of filter media at the South Water Treatment Plant for Carter Lake Filter Plant. The coating of the tanks shall include all Work necessary to prepare the concrete and steel walls, floors, and steel trough for paint within the Filters 17 and 18. The walls, floors, and steel trough shall be blasted in accordance with specifications and painted in accordance with specifications. The filter media and filter underdrains portion will include all Work necessary for removal and replacement of underdrains and media for the two (2) filters with owner-provided underdrains and media, including the unloading of underdrains from the delivery carrier. Included in this scope is the removal, inspection and replacement of the media from the clarifier in Filter Basin 17 and 18. Screen and beam removal will be required to obtain access to the media. Included in the preparation of Work, is setting up a containment area to prevent the dust from escaping and causing issues outside of the working area. The final product shall be two (2) filter tanks and steel troughs coated with an NSF paint, new underdrains, and new media. Contractor will be responsible for disposal of old materials not retained by the owner.

Electronic copies of the Bidding Documents may be obtained from the office of the Engineer, **NOCO Engineering Company, 257 Johnstown Center Dr, Suite 209, Johnstown, CO, 80534** (hereinafter referred to as ENGINEER) upon payment of **One Hundred Dollars (\$100.00)** per set beginning 12/1/2025. No partial sets will be issued. **NO REFUNDS OF PAYMENTS WILL BE MADE.**

All questions shall be sent by email to jcook@nec-engrs.com. The last day for questions is **December 11, 2025, at 2:00 p.m.**

A **Mandatory Pre-bid** meeting will be held at the Owner's Office on **December 10, 2025**, at 11:00 a.m. OWNER's clock.

The Bidding Documents may be examined at the office of the ENGINEER and at:

1. The OWNER'S office.

Bidder Qualification forms are included in the Project Manual. Bidders must be qualified contractors in the State of Colorado. Bids received from Bidders who are not recorded by the ENGINEER as having received the Bidding Documents will not be opened.

The Work is expected to be commenced within **ten (10)** days after the Date of Contract. Completion of the Work is required as specified in the Bid Form.

Bid Security in the amount of five percent (5%) of the total Bid Price must accompany each Bid in the form specified in the Instructions to Bidders.

The Successful Bidder will be required to furnish a Construction Performance Bond and a Construction Payment Bond in the amounts of one hundred percent (100%) guaranteeing faithful performance and the payment of all bills and obligations arising from the performance of the Contract.
